An unforgettable experience starts with the unexpected. We'll make sure you see the most popular highlights of our destinations... but then we'll show you the places you wouldn't find on your own, and each country is full of these hidden treasures. From conversations with local families, feasting in street food stalls, and shopping in hidden local markets, we'll make sure you go home with amazing memories.

“It is impossible to choose one highlight as we enjoyed everything so much. This was our fourth tour with Insider Journeys and we will have no hesitation in recommending the company to all our family and friends.”

Our local partners live and work in the destinations we serve, bringing you the perfect combination of local authenticity while still providing the high level of service and support you expect.

## LOCAL EXPERTS

Your local guides are one of the most important elements of your trip. They are the people you see the most, the person who answers your questions, the person who helps to shape your impression of a destination. In recognition of this important relationship, our guides are truly passionate, local experts who are carefully selected and trained to look out for you, to share the history and knowledge that only a local can provide, and to expect the unexpected. Many of our guides have worked with us for years, and feel like a part of our family, just as they will soon feel like a part of yours.

## BESPOKE ACCOMMODATION

A quality hotel is an essential element of an enjoyable holiday. We offer an extensive range of accommodation options and experiences, so you can customise your vacation. Our hotels have been handpicked for charm, comfort, location and to provide you with an insight into the region. From the forts and palaces to beach resorts, we have accommodation options to suit all tastes and budgets.

## INDEPENDENCE AND FLEXIBILITY

An ideal tour is a balance of activity and relaxation. We know sometimes you want to explore on your own, eat on your own, or relax on your own. We can include moments of leisure without any scheduled activities, where you have the freedom to be spontaneous, to choose your own meals, to choose your own experiences, and to enjoy your holiday as you see fit.

“Our guides were really good at making the history of India come alive. You could tell that they obviously love their country, and this comes across. We would definitely use Insider Journeys again.”

Henry & Lisa, Wellington, New Zealand

## GETTING AROUND

We don't do 'bus tours'... we do Small Group Journeys. Whether it's a tuk-tuk, jeep safari, or bullet train, you'll get a local experience when it provides the best sightseeing or transport opportunity. Otherwise, road journeys are in our comfortable air-conditioned vehicles. We keep it small and never use large coaches.

## TAILOR-MADE FOR YOU

You can use our Small Group Journey itineraries as inspiration, or you can create your own completely customised holiday. Either way, you will get a tailor-made holiday where you take control of your experience and we create a holiday exactly the way you want.

“I just returned from Sri Lanka and wished to say how much I enjoyed this trip! It was the first time I had used Insider Journeys and I was very impressed with the level of organisation, quality of the hotels, tour guides, vans, cyclos, etc. It was a truly memorable 12 days and thank you to the Insider Journeys team for organising it. ”

Debbie, Wagga Wagga, Australia

### SMALL GROUP JOURNEYS

For guests who prefer to travel with others, we offer our popular Small Group Journeys. We limit these groups to a maximum of 16 people (and only 12 in Japan) so you can enjoy a personalised, authentic experience.

Smaller groups ensure more time with your local expert, more time to make new friends, less time waiting, and more time for you to enjoy the amazing destinations throughout your journey.

### PRIVATE GROUPS

Whether you're gathering your family for a reunion, your friends for a dream wedding, or your co-workers for a rewards trip, let us design the perfect custom itinerary for your group's needs. Large groups come with large expectations, and our dedicated Groups department specializes in these unique requirements. We offer advice and support at all times, so you have peace of mind that we are here for your group.

## PEOPLE

To those who wish to experience the very essence of this magnificent land, we say, “nowhere does Kenya live more vividly than in the hearts of her people.” To see Kenya with the Kenyans is to travel into the hearts of a hundred stories.

How this land which contains within itself every known ecosystem on earth can find an exact and faithful mirror in the human face is a mystery. The Masai, The Samburu, the Pokot, the herdsmen, hunters, the bantus, the Semites and third generation Kenyan English, the village elders and the witch doctors: they are all the living template of Africa.

## SAVANNAH & WILDERNESS

The diversity of game in the wilderness and the unique landscapes of Kenya is simply breathtaking. From the big five to the small or the unique five, the diverse bird species, game parks and protected wildlife areas, it's easy to understand why this is the authentic home of safaris.

## THE GREAT KENYA WILDEBEEST MIGRATION

The annual Wildebeest Migration at the Masai Mara is a natural cycle that replenishes and renews the grasslands of East Africa. It is known as the 8th Wonder of the World. This is one of Kenya's most popular safari attraction and the experience of a lifetime for many.

## RICH CULTURE & HERITAGE

Host to several world heritage sites, Kenya is home to over 45 unique cultures. All come together to form one identity. You could choose to stay in the villages and experience untainted traditional ways of life or experience the fast life of urban culture in cities.

## HIGHLANDS & VALLEYS

Enjoy pure and unspoilt landscapes on the highlands and valleys of Kenya. Spectacular views of the green upcountry and a whim of nature cascades across the meandering hills. Hikers and mountain climbers are thrilled with the sheer adrenaline rush.

## ANNEXURE TRAVEL TIPS FOR TRAVEL PRODUCTS

These tips are not legally binding terms and conditions. You should obtain and read the Third-Party Travel Provider's terms and conditions which are legally binding on you.

### Travel Insurance

We strongly recommend you take out appropriate travel insurance to cover your travel arrangements.

### Passports, Visas & Health Requirements

Visas, including transit visas, are the passenger's own responsibility. For more information please log on to: [www.dfat.gov.au](http://www.dfat.gov.au) or [www.smartraveller.gov.au](http://www.smartraveller.gov.au). Please check with the respective Embassy or Consulate of each country that you are travelling to, as many destinations require visas for both Australians and non-Australian passport holders. For more information, log on to [www.visalink.com.au](http://www.visalink.com.au). You need to ensure that you have at least 6 months validity on your passport from the date of your departure return. It is your responsibility to ensure that you are aware of any health requirements for your travel destinations. Vaccinations are strongly recommended for certain destinations. You need to contact your local doctor who will advise you of these requirements. Please note that vaccinations may be recommended some period in advance of travelling.

### Ticketing

For international and domestic departure, e-tickets will be issued upon payment and completion of the booking process. In some instances, an e-ticket on the flights or fares selected may not be able to be issued. Bookings that cannot be issued as an e-ticket will have to be changed to comply with e-ticket regulations. All other travel documentation, such as hotel, car hire, transfer and tour vouchers will be emailed to you as an e-document. Should the Third-Party Travel Provider issue paper vouchers, these will be posted to you.

### Accessibility

Travellers with a physical or mental disability that may require assistance during their trip must advise us of their needs upon booking and declare all pre-existing medical conditions. This enables us to ensure the suitability of each booking to the individual traveller.

### Bedding configuration

Requests for specific bedding types must be made at the time of booking, however, cannot be guaranteed. Please note that double rooms can be fitted with either double or twin beds and that single rooms are often smaller than other rooms. Triple rooms usually comprise a twin-bed room with an additional sofa bed, roll-away bed or a fold-away bed for a third person.

### Travelling with children

Where a child stays for free in a room sharing with two

paying adults, generally the hotel will expect the child to share the parent's bed and will not provide an extra bed. Additional charges may be levied for child meals. Where a child rate is provided in this brochure, an extra roll or fold-away bed is usually provided. Children are charged an adult rate if staying in a room without adults.

### River Cruises – shore excursions & water levels

The nature of some shore excursions in Asia means that for some excursions there are no formal jetties. While staff are always on hand to assist, those with limited mobility may find these areas difficult to access. Due to the unpredictable nature of weather and its effect on river conditions and water levels, it may on occasions be necessary to complete some elements of the itinerary by land, rather than by boat, or to alter the route of the vessel including substituting some planned stops for others. Such changes can occur at any time without prior notice or warning and no refunds will be given in this instance. On the lower Mekong River between Siem Reap and Phnom Penh, large seasonal variations in water levels necessitate low-water and high-water itineraries. The only significant difference is a vehicle transfer to/from Siem Reap in place of cruising across Tonle Sap Lake. As a guide, low water itineraries are applied typically from January to early July, but this may vary depending on rainfall across the river catchments.

### Complaint Handling

In the unlikely event that you are unsatisfied with any aspect of your Travel Product, you must immediately notify the Third Party Travel Provider of your Travel Product or travel consultant (please refer to your pre-departure guide) to ensure we are given the opportunity to address and attempt to resolve any issue that you may raise at the time they occur. If a problem cannot be resolved to your satisfaction and you wish to pursue this matter further you must write to us within 28 days upon your return to the following address:
